

## STREET NOISE

*Blues-Driven Rock · Connecticut*

Street Noise is a Connecticut-based five-piece band delivering a high-energy, professional live music experience rooted in hard-driving blues and blues-inspired rock. Featuring seasoned musicians, the band brings tight execution, dynamic performances, and the power of a full five-piece lineup to every stage.

---

### Sound & Style

Authentic blues-rock with a modern edge. Street Noise blends soulful lead vocals, expressive harmonica, and strong guitar-and-keyboard interplay with a tight, groove-driven rhythm section that appeals to both blues purists and rock audiences.

---

### Live Performance

Setlists are curated to match the venue and audience, creating a consistent, high-energy atmosphere. Street Noise performs regularly in clubs, festivals, outdoor events, and private functions, with professional volume control and stage awareness.
